

ORTHOLOGICS SERVICE PROVIDERS COURSE - 2024:

Attention all Dentists.

You are invited to our 4 Weeks Service Providers Course in Fixed Orthopaedics and Orthodontics. It consists of 6 Online Video Theory Lessons, one Hands-on Training Day, a Clinical-Video Training and a Final test. You will also receive a Study Guide, a full Handson Kit and 34 CEU's. After these Informative 4 weeks, you will receive ongoing support and appliances while treating your own patients.

The aim of this course is to equip you with practical knowledge and skills to fill the long standing void in S.A. for logical-, profitable and healing Orthodontics for **DENTISTS**. The practical and logical approach to this dynamic- and long neglected discipline will ignite your senses and change your life forever. After 10 successful cases, you will have the opportunity to become part of a Nationwide Orthologics Practitioners Network as an Elite member on our website. You will be listed and will receive patients via the Orthologics Providers Network.

COSTS:

Enrolment fee of R5000.00

2 payments of R9000.00

Total R23 000

Module 1:

Online Videos and Questionnaires- for Lesson 1-6 are done at home. Videos and questionnaires will be supplied and must be completed within 2 weeks. To secure your place in the Hands-on course, the HPCSA's minimum requirement of 70% should be reached for each questionnaire. All online questionnaires are of the Multiple Choice type.

There are 2 venues , Pretoria and Gordon's Bay, and there are only two occasions where you should be personally present at your chosen venue and that is for Modules 2 and 3. Modules 2 and 3 will be 2 weeks apart.

Module 2:

Full Handson day

Module 3:

Clinical Video Day and Final Test.

See attached entry form for each course.

We look forward to changing your life forever.

Dr. Bert Botha, on behalf of the Orthologics Board of Directors
